*Before the final day,
Our exit from the fray,
We wish ere then we might
Embrace Athena's light.
Hence we aspire to claim
Her bright elusive flame
So we may 'luminate
The darkness of our night,
And life shall culminate
With her resplendent light.*

Jan Leask '61

*Class Motto: "May the flame of knowledge burn brightly
while the torch is in our keeping."*

ALMA MATER

(Tune, "Annie Laurie")

*Hail to thee, O Alma Mater,
Bright morning star of youth-
May our lives prove yet the glory,
Thy name our badge of truth.
Thy name our badge of truth-
Thy sons shall e'er be true-
Hail to thee, our Alma Mater,
And thine emblem, red and blue.
Rich in years, enwreathed in laurels,
Thy long-spiced hopes abound,
And wherever lies the guerdon,
Their sons may still be found.
Their sons may still be found-
Thy sons shall e'er be true-
Striving still for Alma Mater,
And her emblem, red and blue.*

Mr. George Berry

D E D I C A T I O N

One of the most deeply appreciated and respected persons in Central Tech is our own Mr. Berry . . . and with good cause. For Mr. Berry has given many years of loyal service to our school, first as a teacher of English and math and now as our capable vice- principal.

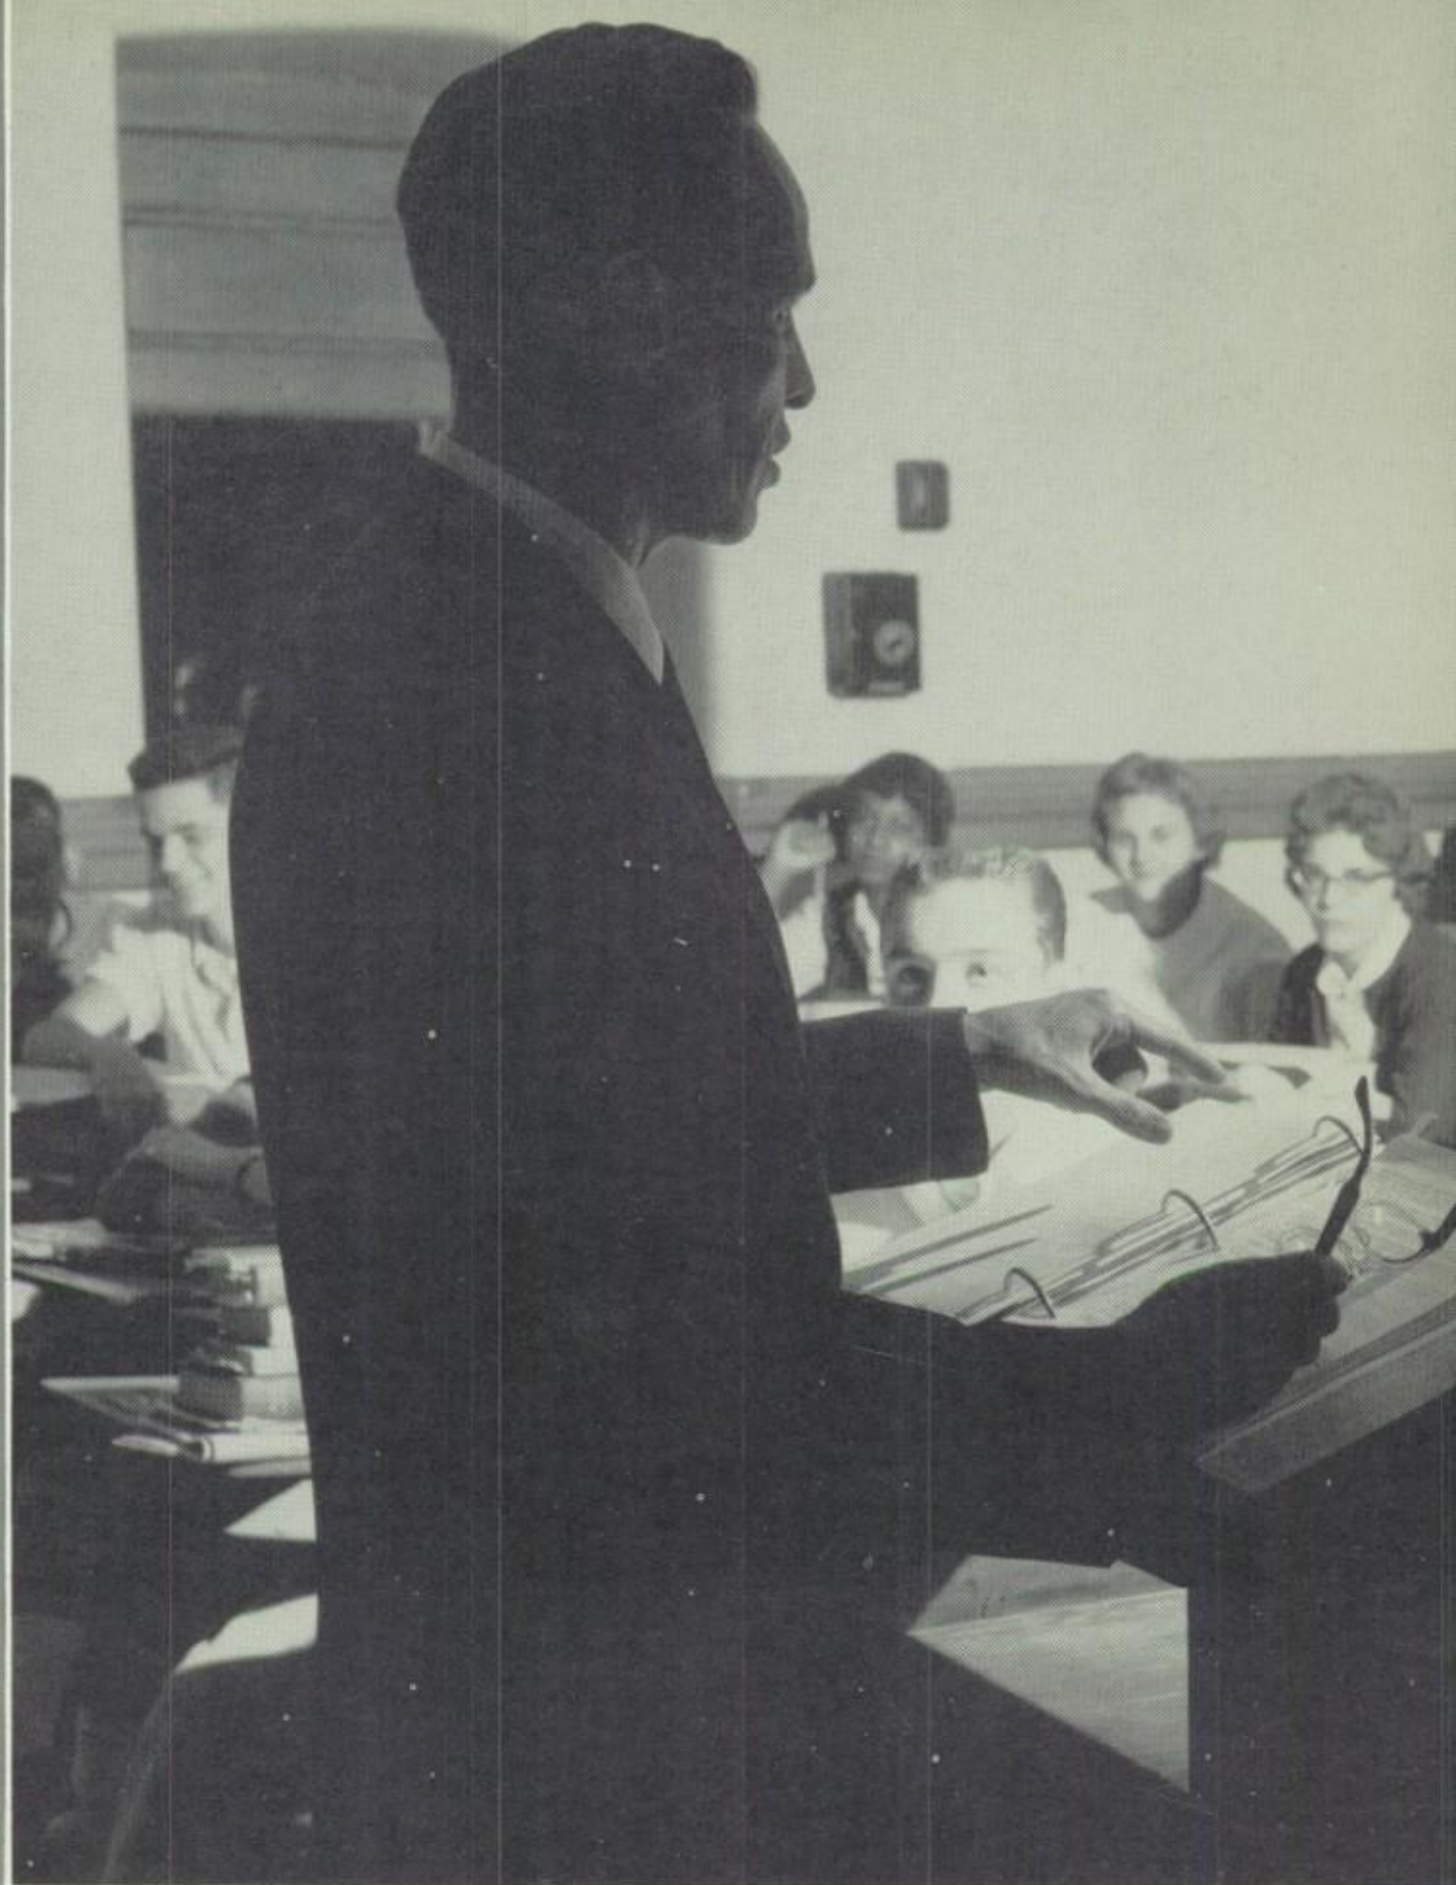

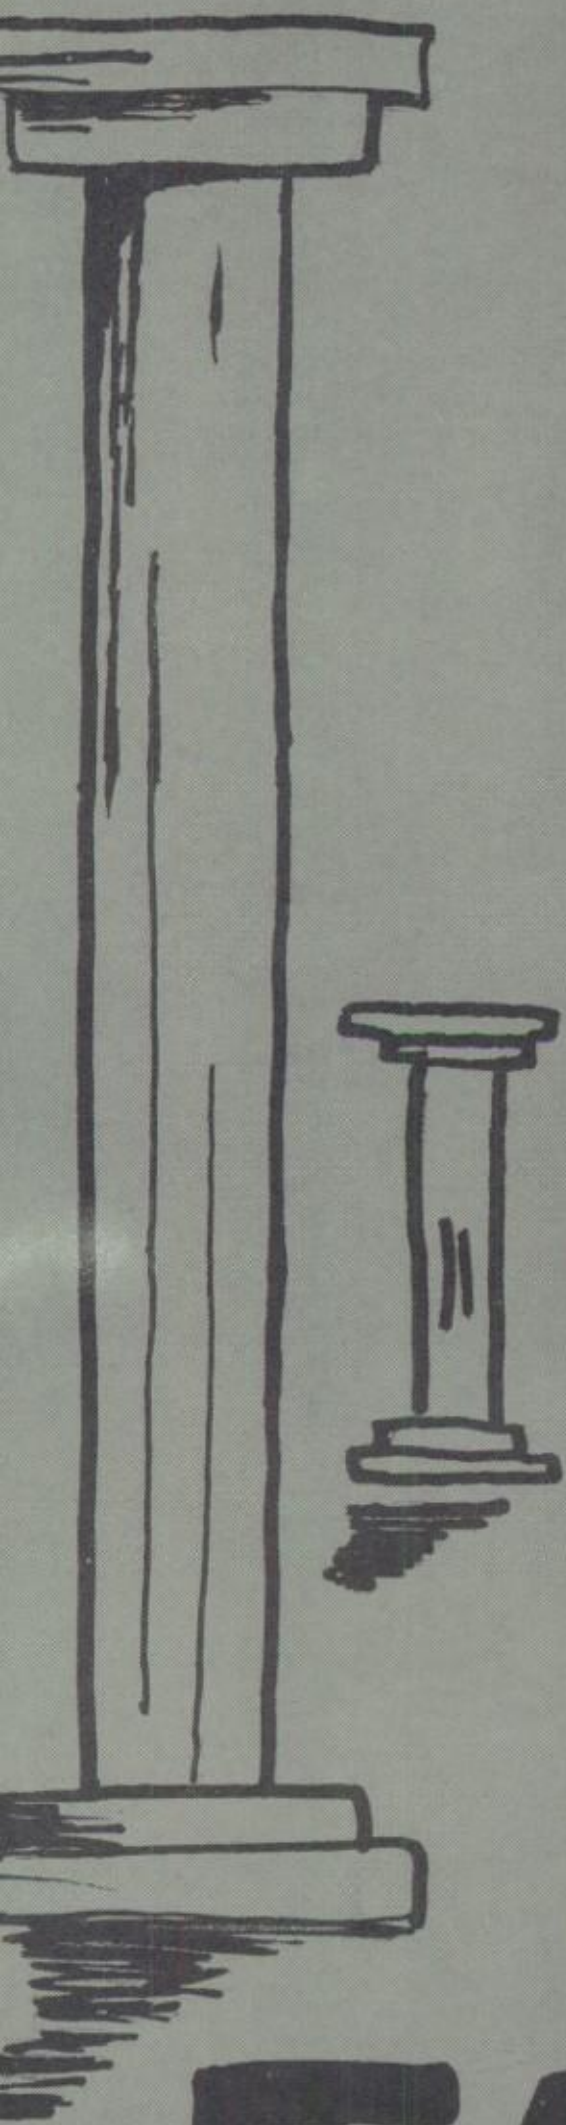

Despite his never-ending work, as evidenced by a desk always piled high with papers, Mr. Berry seems to find time to counsel, direct, assist and console when necessary, students and faculty alike.

His school spirit knows no bounds. Whether he is directing a Grand March at the Senior Ball,

praising deserving students, or offering a few spirited words in pep fests, his enthusiasm never wanes.

A ready wit—a hearty laugh—a raccoon coat and an ubiquitous lunch pail—these are some things we will remember about Mr. Berry in years to come. But most of all we shall remember the pride he took in us, in our school and in our teachers.

And so for these reasons and many more, we dedicate the 1961 edition of the *Scarlet* to Mr. George Berry.

All three of our counselors are new to us this year. Although they have had plenty of experience in counseling in other schools, all have found that being at Central Tech is a unique and delightful experience. Miss Hearn, the girls' guidance counselor is well liked by all who have come in contact with her. The boys greatly appreciate the help and kind understanding shown by Mr. Solomon and Mr. Finnigan.

The Senior Class Council was formed last fall for the purpose of organizing the traditional class activities that go with graduation. The council is composed of one representative elected from each homeroom, the four officers and the two class advisors. Some of the activities for the year include drawing up a Senior Class Constitution for future classes. A Senior Play, a Senior Prom, and the annual Senior Yearbook. The council has advanced out of its experimental stage, proving to be a very successful method for keeping the increasingly large Senior Classes well informed and well organized.

The school yearbook, The Scarlet, is published annually by the students of Central Tech. They strive to create a yearbook that is both original and sincere; one that will be treasured by the graduating class.

This year we have used more facilities within the school than ever before in publishing the yearbook. Pictures of many student activities, including football and basketball games, have been taken and developed by students from the photo lab.

Founded in 1865, as the Budget, the Central Tech Recorder has been a traditional publication for ninety years. This newspaper, published by students who have passed a semester of journalism, is completely printed on the offset

presses in the technical building. We are indeed fortunate to have such a fine paper which gives us information about the activities in school.

The A Cappella Choir is one of the most popular groups in Central. It presents a program on Thanksgiving, Christmas, and Easter. Under the direction of Mrs. Ruth Gilmour, the choir sings songs ranging from contemporary music to religious masterpieces such as excerpts from Handel's "Messiah." This year their spring program included a production of excerpts from "The Sound of Music."

The Ensemble is another singing group directed by Mrs. Gilmour. They are often asked to sing for many organizations outside of school as well as auditorium programs in school.

Through the football season, Central's red-jacketed band members can be seen tramping the muddy fields, stirring the team to a rousing victory. But not only that, after the final football game, Central's band practices for its spring concert and state contest. This year, Central will also be one of the participants in the All-High Festival of Bands.

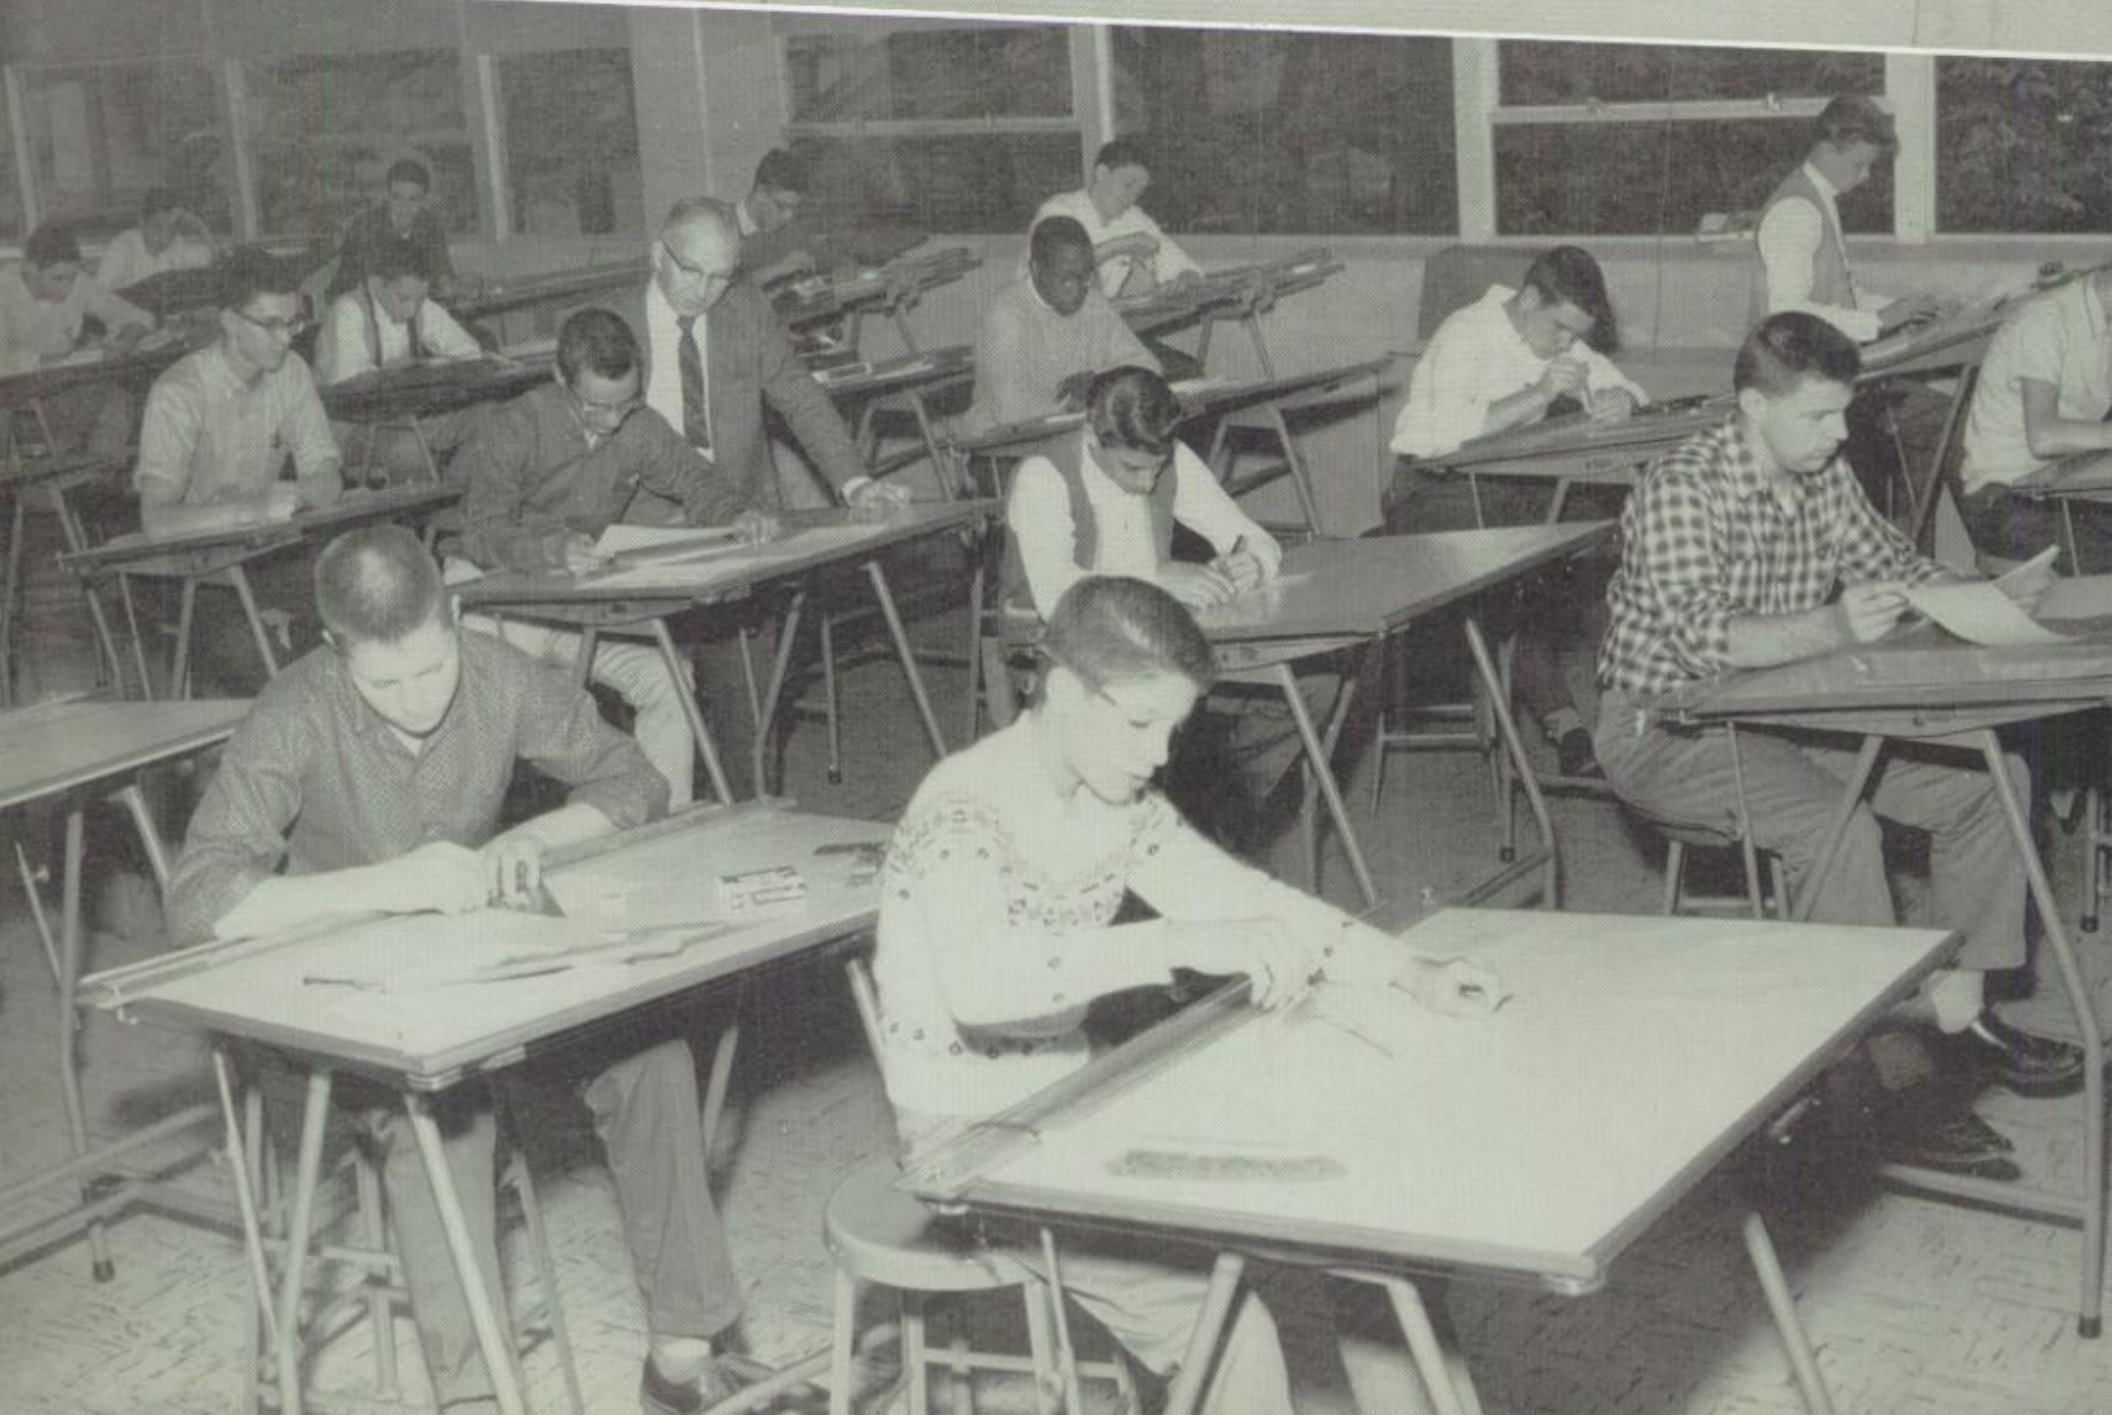

This year, since the beginning of March, the band has been practicing in their new room just off the first floor of tech. With green drapes to absorb sound, tiers for the different levels of instruments and new chairs and stands, the room is Mr. Bishop's dream come true. The only thing missing, Mr. Bishop says, is a coke machine.

Central Tech's defending City League champions routed Vocational Vikings at rain-swept Roosevelt Stadium yesterday afternoon, 34-13.

After the scrappy Vikings held them to a 7-7 tie in the first half, the Lancers line pushed VO all over the field and Pat Bombardo, 160-pound right halfback raced for two scores to add to his first half touchdown run.

Bombardo's three touchdowns gave him a tie for the league individual scoring lead.

Bombardo Goes Over in Fourth For Winning TD

By ED REDDY

Central Tech's defending champions moved back into contention for title honors again this year when Coach Pete Heilig's team thumped North 35-13 last night before 1,800 at MacArthur. It was the second of three starts for Central Tech's new record 1-1.

Eric Simmons had 100 yards for the first time in his career, down early in the first quarter. Central Tech's offense erred a bit in the opening half, but possession was theirs. Bombardo and Dick Dan carried for gains before Simmons went over. Quarterback Stan Lenn plunged over for the extra point after a North offside had moved the ball to within a yard and one-half of the goal.

North Goes 80 Yards
North tied the score at 7-7 with an 80-yard march in which Bombardo, Mike DeRoberts, Pete Ochsner, Dave Bracci and Dom Farrell all carried for gains in the march. Ochsner, a 6-2, 195-pound senior, battered five full yards through right tackle for the score and he hit the same spot to add the extra point for a 7-7 tie.

Central's Ross grabbed a fumble by North in the quarter to pave the way for a winning touchdown, possession on the North side.

Bombardo, Simmons and Dowdell raced for the score until the scoring point was a six-yard line. From there Bombardo swept left and scored. Bombardo's run around the same spot for the

The Techmen swamped Eastwood, 62-34 on the losers' floor and CBA turned back North, 53-40, likewise on the losers' boards to remain a half game behind the Vikings in the red hot scramble for the flag. Vocational, meanwhile, pulled out a 52-47 win over Onondaga.

scramble.

Central Tech, still hopeful of making a successful defense of the title annexed last year, turned in a convincing job against Eastwood's skidding Bears. The East Siders won their first two ball games and started serving a little notice to the rest of their rivals. But they bowed to Vocational last week and to the Techmen yesterday afternoon. As a result, Coach Joe Petroff's cagers have a rebounding job cut out for them.

But mentor Ed Lukens' Central Tech combine has developed

The Standings:

	Won	Lost	Pct.
Vocational	4	1	.800
Central Tech	3	1	.750
Eastwood	3	2	.600
North	2	2	.500
Onondaga	1	3	.250
Valley	1	3	.250
West	1	4	.200

That they made a real tough game to last year's effort, admitted, it was a team and clubs come by too often.

There wasn't much as the reserves took the Lancers enjoyed their big bulge to the finish.

Central Tech had 11 of 13 players in the scoring column as a result of Lukens emptying his bench. Top gun for Eastwood was Tom Phillips, who meshed 13. But he was the sole extent of a weak Eastwood attack.

The Vocational-Valley contest was a real tussle with the Vikings settling for a five-point

with a 13-point assist. Tops for the scrapping Indians was Phil Davoli with 14 while Ken Fifield and Larry Klingbiel added 10 apiece. Gary Horton, Valley's top pointmaker, going into yesterday's game, was limited to a point. He was checked consistently by one man while the rest of the Vikings went into a four-man zone.

CBA, minus the services of Coach John Gibbons who was hospitalized after suffering a heart attack Sunday, pulled out to a 16-4 first period lead and stayed in front all the way although the Northmen scrapped, but in vain, in the second half. The Brothers took full advantage of a real bad opening period by the Windy Hillers, who tallied only four points in the first eight minutes. It was 32-16 at halftime before North finally recouped and made it resemble a ball game for the

aggregation and plenty of sessions. It was a team effort dividend for CBA. John Cusano leading with 15 points. Paul Hart added 13 and Rickett in 12 more for the win. Ochsner and John added 10 apiece for their efforts well. Windy Hillers' game in four

Good Luck,
I know you'll make a fortune

Good, Better, best never let it rest,
til the good is better and the
better best.

Ronald Tucker

Lots of luck Mark,
you'll need it with
that negative personality
of yours (I like that its
reactionary).
Dave Brett

(Class of '62)

Dave,
With all the bidding
aside, my slip didn't
show so I was informed
so I'll never believe
another word you say,
(not really). Its been
swell knowing you in
ensemble & choir. I'll never for-
get you as the bass
that always seemed
to come in a little too
soon or was it too late.
Don't forget "Maria"
Julie

Dave -
The very best
of luck to a real
math whiz. I am
sure that you will be real
successful in all you do in the
future.

Your friend,
Tom Harblin
